

Alere Inc. Schedules Conference Call for 8:30 a.m. ET April 30, 2012 to Discuss First Quarter 2012 Results

WALTHAM, Mass., April 23, 2012 -- Alere Inc. (NYSE:ALR), a global leader in enabling individuals to take charge of their health at home through the merger of rapid diagnostics and health management, today announced that it will release its first quarter 2012 earnings on Monday, April 30, 2012. The Company will also host a conference call beginning at 8:30 a.m. (Eastern Time) on that date to discuss these results and other corporate matters. During the conference call, the Company will discuss and answer questions concerning business and financial developments and trends. The Company's responses to questions, as well as other matters discussed during the conference call, may contain or constitute information that has not been disclosed previously.

The conference call may be accessed by dialing (800) 860-2442 (domestic) or (412) 858-4600 (international) and asking for Alere Inc. A webcast of the call can also be accessed via the Alere website at www.alere.com/investors, or directly through the following link: <http://www.videonewswire.com/event>.

A replay will be available approximately four hours after the conclusion of the call and will remain available for a period of seven days following the call. The replay may be accessed by dialing (877) 344-7529 (domestic) or (412) 317-0088 (international) and entering replay code 10013183. The replay will also be available via online webcast at <http://www.videonewswire.com/event> or via the Alere website at www.alere.com/investors for a period of 60 days following the call.

By developing new capabilities in near-patient diagnosis, monitoring and health management, Alere enables individuals to take charge of improving their health and quality of life at home. Alere's global leading products and services, as well as its new product development efforts, focus on infectious disease, cardiology, oncology, toxicology and women's health. Alere is headquartered in Waltham, Massachusetts.
