

Alere Inc. Schedules Conference Call for 8:30 a.m. ET October 29, 2013 to Discuss Third Quarter 2013 Results

WALTHAM, Mass., October 22, 2013 -- Alere Inc. (NYSE:ALR), a global leader in enabling individuals to take charge of their health at home through the merger of rapid diagnostics and health information solutions, today announced that it will release its third quarter 2013 earnings on Tuesday, October 29, 2013. The Company will also host a conference call beginning at 8:30 a.m. (Eastern Time) on that date to discuss these results and other corporate matters. During the conference call, the Company will discuss and answer questions concerning business and financial developments and trends. The Company's responses to questions, as well as other matters discussed during the conference call, may contain or constitute information that has not been disclosed previously.

The conference call may be accessed by dialing (877) 270-2148 (domestic) or (412) 902-6510 (international) and asking for Alere Inc. A webcast of the call can also be accessed via the Alere website at www.alere.com/investors, or directly through the following link: <http://www.videonewswire.com/event>.

A replay will be available approximately one hour after the conclusion of the call and will remain available for a period of seven days following the call. The replay may be accessed by dialing (877) 344-7529 (domestic) or (412) 317-0088 (international) and entering replay code 10036058. The replay will also be available via online webcast at <http://www.videonewswire.com/event> or via the Alere website at www.alere.com/investors for a period of 60 days following the call.

By developing new capabilities in near-patient diagnosis, monitoring and health information solutions, Alere enables individuals to take charge of improving their health and quality of life at home. Alere's global leading products and services, as well as its new product development efforts, focus on cardiology, infectious disease, toxicology and diabetes. Alere is headquartered in Waltham, Massachusetts.
